

TechMart Electronics — General User Manual

Managing your account

From **Account** you can update your profile, addresses, payment methods, and membership. Changes save immediately.

Orders

- View, track, and return orders under **Orders**.
- Start a return within the 30-day window using "Return item".
- Download invoices as PDF from any completed order.

Membership benefits

TechMart Premium benefits apply automatically at checkout once active: free express shipping, extended warranty, and priority queue for support.

Notifications

Control order, shipping, and promotional notifications under **Account** → **Notifications**. You can turn marketing emails off without affecting order updates.

Getting help

Use the in-app support assistant for instant answers. Complex or unresolved issues are escalated to a human specialist, who will follow up by email.
